

HOPE

Verse

**When the world is hurting
When life is so confusing
I am sure of one thing
God, You're by my side**

**When I'm feeling lonely
and I start to worry
I know God, You're near me
and You're always by my side.**

Pre- Chorus

**and I can lift my hands up to You
I can raise my voice and sing
You are who I put all hope in
I trust You in everything**

Chorus

**There is hope
There is hope in the Lord
He is with me each day
I will trust Him today
I have hope
I have hope in the Lord
He is mighty and good
There is Hope in the Lord**
