

# YOU ARE GOD

## **Chorus:**

You are God and I love You  
Yes I do  
You are God and I trust You  
Oh It's True  
You are God and I need you  
There's no-one else like You  
You're the G-O-D  
You're alright with me  
Oh yeh!

## **Verse:**

You will never change  
You'll always be the same  
Loving, great and faithful  
There's power in Your name  
Compassionate and kind  
It completely blows my mind  
How You can love me so much  
Since the start of time.

Your the best thing  
That has ever happened to me  
So with all my heart I m gonna and sing..

## **Bridge:**

You are God  
A great big God  
Bigger than anything else  
You are God  
A great big God  
And my friend

You are God  
A great big God  
Loving me like no one else  
You are God  
A great big God  
And my friend
